## **The Queers**

The girl's always giving him shit 'Cause he like da banana split. She's always calling him names, and He'd like to be doing the same.

Life's not fair; are you aware?
I can't spell it out like Dr. Frank - who cares?

He's wearing lavender pants.
The boy's just dying to dance.
The girl's always making him cry,
And we're all wondering why.

Life's not fair; are you aware?
Be proud of who you are and don't be scared.
