

I'm OK, You're Fucked

The Queers

Well I'm sick of you
You think you're cool
You're so depressed
And I'm not impressed

I'm a bad motherfucker
Oh yes I am you mothers, come on
[special guest Hubacca on vocals]
You go mental and you suck, so remember I'm
okay, you're fucked
You go mental and you suck, I'm okay you're
fucked
You're fucked, you're fucked, you're fucked

[Repeat verse]

I'm a bad motherfucker
Domoarigata, come on[vocal cameo by Hudonis]
You go mental and you suck, so remember I'm
okay, you're fucked
You go mental and you suck, I'm okay you're
fucked
You're fucked
