

I Won't Be

The Queers

I won't be a big fat nothing, 'cause that just ain't me
I won't be your boyfriend because you're just so ugly
I won't be
I won't be
I won't be no one but me (2x)
I won't be a Grateful Dead freak, that shit makes me puke
I won't be your boyfriend because I just can't stand you
