

Noodle brain

The Queers

Sittin' drinkin' a brew. trying not to think of you
I think you suck - you acted like a slut
Did you ever really like me
I think I know the answer
Fuck you
Well listen up - this stupid song's for you
You're a noodle brain and I hate you
You're a noodle brain you're ugly
You're a noodle brain you're so stupid
You're a noodle brain just like me
Sittin' drinkin' a brew and I'm feeling like a stooge
You're the reason why I drank all that beer last night
Did you ever really like me
I think I know the answer
Fuck you
Well listen up - this is what I think you
[Chorus x2]
