

Sort It Out

The Rabble

They may say, some day I'll be an old man,
and they may say I'll be feeding out of a trash can.
They may say, I've already had my chance,
But where there's a will there's a way so now I'm gonna have my
say.

Where there's will there's a way, so I'm gonna have my say.
I'll live to see a better day and I'm gonna start it today.

I'm gonna tell you that there's no need to worry.
No need to apologize, so don't be sorry.
Live for today, not for tomorrow.
Live for yourself and forget any sorrow.

[Chorus]

Sort it out today (4x)
