

You're Not In Love

The Radio Dept.

Before the break of day
Before the lingerie
Before the resume
Before you back away

That's all I need
That's all I need
You're not in love
That's all I need
Not gonna plead
You're not in love
You're not in love

Before the break of day
I watch the shadowplay
The dance across your face
Your hair, the pillowcase

That's all I need
That's all I need
You're not in love
That's all I need
Not gonna plead
You're not in love
You're not in love

You're not in love
You're not in love

You're not in love
You're not in love...
