

# Down With Moonlight

The Rakes

Down with moonlight and the stars  
Raised the search lights to the roost  
The clear forms(?), hums of hearts  
Beat of a beat no further proof

It's not safe in your 4x4  
Something dark is out there on the loose  
Put up your windows and doors  
Now we know that there was use

Somebody better call the cavalry  
The terror is approaching rapidly  
First they make  
Then it goes to show you're all alone

You don't see me now, but I see you  
I see through your  
The walls you built can't keep me out  
I'll destroy, fair at you

It's not safe in your 4x4  
Something dark is out there on the loose  
Pull up your doors now we know there was no

Walking past the river at twilight

Dirty water flowing past the towers  
Sun k

—

Say we never had it so good  
You're the killer to be the juror  
Ghost is going to be a solo  
And it was...

I seeks  
quarter of this  
... can't see  
Free to let the dark...
