

Time to Stop Talking

The Rakes

No it's never easy to deal with a broken heart
When I found out what was happening
It nearly tore me apart
____, it's a mistake
Now we're nearly players
I was sleeping on tuesday
You shook me awake

Yeah
Now it's over
Yeah
Time to stop talking
Oh Yeah

I used my ways to get center stage
Just to get your attention
Noticed you were sleeping
Did you feel ashamed
I should have seen it all coming
Play around, expect nothing
First it seemed you'd get along
But now the time has long gone

Yeah
Now it's over
Yeah
Time to stop talking
Oh Yeah

We were never really at each others neck
So long, here I am out
I'm never worrying
Never meant for this to happen

Yeah
Now it's over
Yeah
Time to stop talking
Oh Yeah
