

## Infatuation

## The Rapture

You don't know by now  
To take me down  
Take me down  
You don't know by now  
To take me down  
Take me down  
Infatuation  
You don't know by now  
To take me down  
Take me down  
Infatuation  
Infatuation  
Infatuation  
Infatuation with the girl  
In the coat in the park  
Infatuation with the girl  
In the coat in the park  
Infatuation with the girl  
In the coat in the park  
Infatuation with the girl  
In the coat in the park
