

## Sister Savior

## The Rapture

Can you feel it  
Sister Savior  
Drawing you into the club?  
Sister Savior's  
Past behavior  
Has me falling in love  
Hey-ey-ey-ey  
Sister Savior  
Hey-ey-ey-ey  
Catholic lover  
Why'd you leave me  
For the good life?  
At least our bad times were ours  
Last night i had a dream  
A warm field strawberries and cream  
A poor man wearing rusty mail  
With contentment plastered on his face  
He was sipping from a bottle  
On his forehead read the motto
