

Bolts

The Rare Occasions

Pop it, do it, flip it, I wanna see it
However many tries until you get it
Send it, catch it, stick it, I wanna see it
However many tries it takes

I feel it go
Zip down the road
Shinners and razortail
And I couldn't give a damn about it
Flick of the toe
Don't land primo
Just have to find the grip, stomp it, bolt

The end is near

I feel it go
Flick of the toe
Just have to find the grip, stomp it, bolts

Wallenberg, El Toro, MACBA three
Just like I have seen on my TV
Okay, okay, okay, okay, okay

Pop it, flip it, catch it, stick it

I feel it go
Zip down the road
Shinners and razortail
And I couldn't give a damn about it
Flick of the toe
Don't land primo
Just have to find the grip, stomp it, bolts
