

I'm Gonna Love You

The Rascals

I'm gonna love you
Any way I can
I'm gonna love you
Any way I can

I've been waiting much too long
Now I've got the chance
I've got you in my arms where you belong
There's just one thing I can't resist
I've got to have another kiss
This heart of mine is beating awful strong
I can't stand it

I'm gonna love you
Any way I can
'Cause I've got to prove to you that I'm your man
I'm gonna love you
Any way I can
I'll show you if you come and take my hand

I've been grooving on you, girl
For such a long, long time
I just can't seem to put you from my mind
There's no reason for delaying
If you're digging what I'm saying
All I need is just a little sign
Please believe me

I'm gonna love you
Any way I can
I'm gonna love you
Any way I can
