

# Love Was so Easy to Give

The Rascals

I still remember the days  
When in our youth we were one  
Happy in so many ways  
Laughing and so full of fun  
Never once stopping to care  
How life was changing, so unaware  
Life was so easy to live  
Love was so easy to give

As I look back on my youth  
I see all the things that I had  
'Bout learning the meaning of truth  
And love from my mom and my dad  
Now that I'm grown up I find  
My heart is not changing, it's only my mind  
Life was so easy to live  
Love was so easy to give

Now that I'm grown up I find  
My heart is not changing, it's only my mind  
Life was so easy to live  
And love was so easy to give
