

Slow Down

The Rascals

Come on pretty baby, won't you walk with me?
Come on pretty baby, won't you talk with me?
Come on pretty baby, give me one more chance
Try to save our romance

Slow down, baby now you're movin' way too fast
You gotta give me little lovin', give me little lovin'
Ah! If you want our love to last

I used to walk you home baby after school
Carry your books home too
Now you got a boy living down that street
Baby, what you're trying to do?

You better slow down, baby now you're movin' way too fast
You gotta give me little lovin', give me little lovin'
If you want our love to last

Well, you know that I love you, tell the world I do
Come on pretty baby, why can't you be true?
I need your lovin' baby, oh so bad
The best little woman that I ever had

Slow down, baby now you're movin' way too fast
You gotta give me little lovin', give me little lovin'
If you want our love to last
