

Stop and Think

The Rascals

Stop and think what to do with life
Stop and think

How a little seed grows into a tall tree
Wind and water can make a mountain sand

Know if you seek you'll find
Love dancing with eternity
Touching everything you see
Laughin' lovin' merrily
Won't you come along and see?

Stop and think truly what's your name
Stop and think

Man is like a farmer reapin' what he's sown now
Woman is mother earth givin' love and birth

Know if you seek you'll find
Love, be a star up in the sky
Close your eyes, begin to fly
Let your body flow away
Feel the truth yourself today
Be with everyone
Love is everyone

Stop and think I am really life
Stop and think

What makes a man also makes his brother
Though you have a new name are we not the same?

Stop and think
Stop and think
Stop and think
Stop and think
