

Thank You Baby

The Rascals

Thank you baby
Thank you for lovin' me this way

Uh, I have heard it said that love is so good
That two hearts were one but I never understood
Then I saw you, my whole life has changed
You're my sister, my lover, my friend

(Thank you baby)
Thank you for lovin' me this way

I know how it feels to be all alone
Like an island without the sun
But with you my dear, right here in my heart
I feel like the wind blowin' high and free
I'm an ocean of love when you're here with me

(Thank you baby) oh I thank you
Thank you for showin' me the way

With you I am livin' on a mountain of love
And you showed me the way

(Thank you baby) oh I wanna thank you
Thank you for showin' me the way
