

Bad Ghosts

The Raveonettes

I'm always here
I'm at your sign
I wanna stay
And be sure you're mine
And you find someone to love
It breaks on you

And all I did was sit alone and pray
And all that you claim and rage
You're out of your lonely tune
I wanna break the bar

You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts

You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts

I'm always here
I'm at your sign
I wanna stay
And be sure you're mine
And you find someone to love
It breaks on you

You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts

You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
You got bad ghosts
