

## Expelled from Love

The Raveonettes

Expelled from love  
'Cause of you and your charms  
Destroyed all my thoughts  
Of love in my arms

Mad streetlights are off  
Nowhere to run to now

Chained to this fear  
Of losing everything but I  
In a daze of lust  
Do I cling

Vision of death by deceit  
This feeling it creeps up on me now
