Before you disappear

R: If this is the last dance, this is the last dance
D
Then, save it for me baby
A **D** **E**
If this is the last dance, this is the last dance

Then, save it for me baby
A **D** **E**
Ooh, ooh

Then, save it for me baby

2. Your addiction
And you are in love
Not starcrossed
I wait my turn
And everytime you overdoes
