

# Remember

**The Raveonettes**

And I Never Think You'll Get It  
Tonight You're Doing Something  
This Fix Is More Important Than You Are

Hooking In The Streets  
Don't You Have Somewhere To Go  
This Man Is More Important Than You Are

Girl Can This Summer Turn You On  
When You Walk Inside Yourself  
Annd Feel The Moon Has Let You Down

Remember When The Heat Could  
Knock You Off Your Feet  
I Remember When The Strets Would  
Still Be Good To Me

Girl Where Were You On That Perfect Day  
When Hearts Were Handed Out  
And Young Girls  
Found Pretty Lover Boys

Come On  
Make It Right
