Fm   C#

Fm
Think you look good today
                                C# B5 C#
Pretty in black you got it down
Fm
I can't hold my breath so long
                                  C# B5 C#
When you pass me by without a sound
      As
You got something more to give
                                  C#   Bm
To girls who never thought they'd love
C#   Bm
Love

Fm

Fm
Upon a summer's night
                            C# B5 C#
I flicked my cig and looked at you
Fm
Feels like it's always been
                            C# B5 C#
Pretty in black knows what to do

As
Sleepwalking

Sleepwalking

Fm  C#

 (Fm)
Then came that beautiful day
                              C# B5 C#
When our collided in great sparks
Fm
I can't hold my breath so long
                        C# B5 C#
Something evil in our hearts
      As
You gave all you had to give
                            C#   Bm
Pretty in black is all you were
C#   Bm
