

# The Chosen One

The Raveonettes

In a half can turn  
Do you change me?  
Do you feel well?  
'Cause, baby, I'm ready to go  
Change the sound  
The chosen one  
It ain't me, 'cause  
Baby, I'm ready to go

And I cut myself fucking cruel  
I wanna scream, I want something too  
I gotta go 'cause time is mean

Love me all the time  
This thing's getting out of hour  
This makes I'm wearing  
The coolest clothes  
I start, I falling count

Looking up kids  
In New York state  
You wanted me  
'Cause, baby, I'm ready to go  
Go out there, Ben  
You used to kills  
You followed me  
And, baby, I'm wearing shoes

And I cut myself fucking cruel  
I wanna scream, I want something too  
I gotta go 'cause time is mean

Love me all the time  
This thing's getting out of hour  
This makes I'm wearing  
The coolest clothes  
I start, I falling count

Catch me, catch me, do it, baby  
Catch me if can now, baby  
Catch me, catch me, do it, baby  
Do it, do it, baby  
Just do it, do it, baby

Love me all the time  
This thing's getting out of hour  
This makes I'm wearing  
The coolest clothes  
I start, I falling count

Love me all the time  
This thing's getting out of hour  
This makes I'm wearing  
The coolest clothes  
I start, I falling count
