

Ulrikke

The Raveonettes

Saturday night make me go home
Get a hold of me somewhere alone
Think you're too young to understand
Fuck this I can't hold your hand

Make me feel like finding someone
Who can never do right and can never go wrong
Make me indestructible as I am

Saturday night make me go home
Get a hold of me somewhere alone
Think you're too young to understand
Fuck this I can't hold your hand

Make me feel like finding someone
Who can never do right and can never go wrong
Make me indestructible as I am
