

Where Hearts Are Dead

The Raveonettes

Mary Ann is dead
So dead to me
Such a rocking girl
Such a kind of dear
(Summertime)

Gotta have that girl
Gotta have her now
Gotta put me here
Get nothing as fast

Still chilling days
Where hearts are dead
Gotta kill the way
Some little time

Gotta make you say
She marry me
I thought that you've
Been sucking her
Now!

Where what I have
Not what I want
Where I'm gone
Not what I can

Won't let me in
Where hearts are now
Won't let me in
Some little time
Now!

Let me tell the day
My heart split to leave
Not a chance for war
In time still
Now!
Now!
