With My Eyes Closed

The Raveonettes

I close my eyes To hurt you To live you I never told you That I Could stay It was never meant to Be For me Everyone surely will tell you That I will Need you But I don't believe you Cause I've never had it The way im Supposed to Believe me when I say It was never meant to Be For me Everyone surely will tell you That I will Need you But I dont believe you I close my eyes To hurt you To live you I've never told you That I Could stay It was never meant to Be For me
