

Airplanes

The Ready Set

Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, wish right now, wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, wish right now, wish right now

I could use a dream or a genie or a wish
To go back to a place much simpler than this
Cause after all the partyin' and smashin' and crashin'
And all the glitz and the glam and the fashion
And all the pandemonium and all the madness
There comes a time where you fade to the blackness
And when you're staring at that phone in your lap
And you hoping but them people never call you back
But that's just how the story unfolds
You get another hand soon after you fold
And when your plans unravel and they sayin'
What would you wish for if you had one chance
So airplane, airplane sorry I'm late
I'm on my way so don't close that gate
If I don't make that then I'll switch my flight
And I'll be right back at it by the end of the night

Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, wish right now, wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, wish right now, wish right now

Somebody take me back to the days
Before this was a job, before I got paid
Before it ever mattered what I had in my bank
Back when I was tryin' to get into the subway
Oh, when I was rappin' for the hell of it
Now a days we rappin' to stay relevant
I'm guessing that if we can make some wishes outta airplanes
Then maybe yo maybe I'll go back to the days
Before the politics that we call the rap game
And back when ain't nobody listened to my mix tape
And back before I tried to cover up my slang
But this is for the Cada, what's up Bobby Ray?
So can I get a wish to end the politics
And get back to the music that started this shit
So here I stand and then again I say
I'm hopin' we can make some wishes outta airplanes

Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, wish right now, wish right now
Can we pretend that airplanes in the night sky are like shooting stars?
I could really use a wish right now, wish right now, wish right now

I could really use a wish
Like shooting stars, like shooting stars
I could really use a wish
A wish right now
