

# Concrete

## The Ready Set

Mornings built on bad nights  
Those conversations led to vacations  
I needed systematic meltdown  
The situation; you need to face it

Melodramatic, or maybe emetic  
A sympathetic, accepting you for every flaw  
At least I tried to see the world through your eyes

(It's like I'm living with)  
Concrete strapped to my feet  
Tossed out into the sea  
Why you gotta scream at me  
When everyone is listening  
Calm down you're waving that gun too fast  
You've got to breathe  
How I'm gonna talk to you?  
When I'm wearing bricks for shoes  
Yeah  
C-o-n-c-r-e-t-e-e  
C-o-n-c-r-e-t-e-e  
C-o-n-c-r-e-t-e-e  
R-e-t-e-e

Cling on tight to lose ends  
Claim their afraid of them, when I tried to save them  
I couldn't do it  
Platonic freak outs  
Is twenty really that tiring?  
Cuz lately your spiraling down

Melodramatic, or maybe emetic  
A sympathetic, accepting you for every flaw  
At least I tried to see the world through your eyes

(It's like I'm living with)  
Concrete strapped to my feet  
Tossed out into the sea  
Why you gotta scream at me  
When everyone is listening  
Calm down you're waving that gun too fast  
You've got to breathe  
How I'm gonna talk to you?  
When I'm wearing bricks for shoes  
Yeah  
C-o-n-c-r-e-t-e-e  
C-o-n-c-r-e-t-e-e  
C-o-n-c-r-e-t-e-e  
R-e-t-e-e

And tell me where we'll get this, where we'll get this off the ground  
Feels like never (Never)  
I'll be spending my nights, spending my nights on the ground  
No sleep ever (Ever)

(It's like I'm living with)  
Concrete strapped to my feet

Tossed out into the sea  
Why you gotta scream at me  
When everyone is listening  
Calm down you're waving that gun too fast  
You've got to breathe  
How I'm gonna talk to you?  
When I'm wearing bricks for shoes  
Yeah  
C-o-n-c-r-e-t-e-e  
C-o-n-c-r-e-t-e-e  
C-o-n-c-r-e-t-e-e  
R-e-t-e-e
