

Good Enough

The Ready Set

Running to the middle of nowhere
Chasing the ghost of a life we shared
I'm a monster, well aware of that
And I never wanna hold you back

So I won't ever let you down
Oh, I know, I know that we can work this out

All that I wanna do
Is just be good enough, good enough, good enough for you
All that I wanna do
Is just be good enough, good enough, good enough for you

Good enough for
You-you-you-you, you-you-you-you, you-you-you-you-you
You-you-you-you, you-you-you-you, you-you-you-you-you

Fire burned from the night we met, yeah
Blue as the sea, swimming in your bed
And there might be so much I've lacked
But I can't stop 'til I get you back

So I won't ever let you down
Oh, I know, I know that we can work this out

All that I wanna do
Is just be good enough, good enough, good enough for you
All that I wanna do
Is just be good enough, good enough, good enough for you

Good enough for
You-you-you-you, you-you-you-you, you-you-you-you-you
You-you-you-you, you-you-you-you, you-you-you-you-you

(I see you, fire burn-fire burning blue)
All that I wanna do
Is just be good enough, good enough, good enough for you
(I see you, fire burn-fire burning blue)
All that I wanna do
Is just be good enough, good enough, good enough for you

Good enough for
You-you-you-you, you-you-you-you, you-you-you-you-you
You-you-you-you, you-you-you-you, you-you-you-you-you
