

Higher

The Ready Set

This feeling can't be wrong
Like it's so good it hurts
I've never heard this song
But it's like I know the words
Woke up in a dream
That I had a thousand times
Held on real tight
Now I got what I need to survive

When it feels like all the walls
Are caving in,
It's OK
We can let 'em fall
Climb on top and we'll get higher, higher
Get on top and take it higher

Never wake me up
We can watch this world
Spin from above
Both eyes shut tight
Don't wake me up
If it's in my head
That is real enough-oh-oh
Whoa oh-oh

Ooh ooh ooh
Now we're swinging from the stars
We were reaching for
Ooh ooh ooh
Yeah we're swinging from the stars
And never wake me up

Can't find a way to say
Without a thousand words
One spark is all it takes
Light a flame and let it burn
And if it's a dream
I don't want to leave it yet
Give it all I got
Look around
Take it in

Don't forget when it feels like all the walls
Are caving in,
It's OK
We can let 'em fall
Climb on top and we'll get higher, higher
Get on top and take it higher

And never wake me up
We can watch this world
Spin from above
Both eyes shut tight
Don't wake me up
If it's in my head
That is real enough-oh-oh
Whoa oh-oh

[2x]
Ooh ooh ooh
Now we're swinging from the stars
We were reaching for
Ooh ooh ooh
Yeah we're swinging from the stars
And never wake me up

[2x]
We've got it all
So let 'em fall
Let your walls fall down
We've got it all
So let 'em fall
Let your walls fall down

We can watch this world
Spin from above
Both eyes shut tight
Don't wake me up
If it's in my head
That is real enough-oh-oh
Whoa oh-oh

Ooh ooh ooh
Now we're swinging from the stars
We were reaching for
Ooh ooh ooh
Yeah we're swinging from the stars
And never wake me up

And never wake me up
And never wake me up

We can watch this world
Spin from above
Both eyes shut tight
Don't wake me up
If it's in my head
That is real enough-oh-oh
Whoa oh-oh

Ooh ooh ooh
Now we're swinging from the stars
We were reaching for
Ooh ooh ooh
Yeah we're swinging from the stars
