

Let U Go

The Ready Set

Remember when we use to get high
And stay in bed for days?
I really liked that
Tell me all the things you want to do if you weren't afraid
I wanna see that

You make me so sad
Why did you do that
If I got you back
Won't let you go?
We got it all wrong
All your friends long gone
But I'm still here yeah
Won't let you go again
Oh
Won't let you go again
Oh
I won't let you go again

Oh I
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh

I wanna say that I'm sorry but I don't know the way
I really hate that
I wanna go to a party I wanna drink you away, away

You make me so sad
Why did you do that
If I got you back
Won't let you go?
We got it all wrong
All your friends long gone
But I'm still here yeah
Won't let you go again
Oh
Won't let you go again
Oh
I won't let you go again

Oh I
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh

Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh

I don't know who's driving now
I'll find my way to you somehow
I text your phone, you don't reply
I can't get you off my mind
I don't know who's driving now
I'll find my way to you somehow
I text your phone, you don't reply
I can't get you off my mind

Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
Oh I wish I never let you go
Why the hell did I let you go
Hey oh, hey oh
