

My Rushmore

The Ready Set

Ooh [x2]

Ooh [x4]
(Hyde Park On Hudson)

Ooh [x4]
You're My Rushmore
(It's Groundhog Day)

I was the man who knew too little
Every part of love was a riddle
Oh, what a quick change when you said my name

Met you for coffee and cigarettes
Tell me
If you like Zissou, loose shoes
I think I like you

We can bust out every ghost we see
Gonna take you to my Moonrise Kingdom with me
Oh baby,
If I'm lost won't you translate me?
(Translate me)
I'm saying, you're my Rushmore, don't you see
Oh [x7]
(Let's go)

Ooh [x2]

Ooh [x4]

Ooh [x4]

You're my Rushmore, don't you see

Forget your broken flowers
I know that nothing lasts forever
Oh, how my mind changed when you said my name

Met you for coffee and cigarettes
Tell me
If you like Zissou, loose shoes
I think I like you

We can bust out every ghost we see
Gonna take you to my Moonrise Kingdom with me
Oh baby,
If I'm lost won't you translate me?
(Translate me)
I'm saying, you're my Rushmore, don't you see
Oh [x7]

Ooh [x2]

Ooh [x4]

Ooh [x4]

You're my Rushmore, don't you see

I met you at Hyde Park on Hudson
It was Groundhog Day
Oh, Larger than Life
How our Passion's Play
(see ya)
Hyde Park on Hudson
(Hyde Park on Hudson)
It was Groundhog Day
(It's Groundhog Day)
Oh, Larger than Life
How our Passion's Play

We can bust out every ghost we see
Gonna take you to my Moonrise Kingdom with me
Oh baby, if I'm lost won't you translate me
Yeah
You're my Rushmore, don't you see

We can bust out every ghost we see
(Hyde Park on Hudson)
Gonna take you to my Moonrise Kingdom with me
(It's Groundhog Day)
Oh baby, if I'm lost won't you translate me?
(Translate me?)
I'm saying, you're my Rushmore, don't you see
Oh [x7]

(Hey)

Ooh [x2]

Ooh [x4]
(Hyde Park on Hudson)

(It's Groundhog Day)
Ooh [x4]

You're my Rushmore, don't you see
