

# Drink Some More

The Real McKenzies

[Intro]

Bb - Eb - Gm - Eb

**B** - Eb - Gm - **F** (2x)

Bb ...

[Verse 1]

Like a squid, up at dawn  
An' I drag me butt tae me job  
Not a break, front to back  
Kicking balls to the wall  
Down a mile a hole  
Moving mountains of coal  
While here's to hell  
It's ringing my bell  
Sing a song, bang a gong  
And tonight would be good to be bad

[Intermezzo]

Bb - Eb - Gm - Eb

**B** - Eb - Gm - **F**

[Verse 2]

So I take a wee dram  
Just to take off the edge  
Whether diggin' a ditch  
Or swinging a sledge  
I drink to ignore high society's crap  
Bot'tla' whiskey in me  
And I ain't even whacked  
Now I know how it feels for the rat  
On the wheel to run for the cheese

[Chorus]

So we drink and we drink and we drink some more  
Oh ohé oh

The only thing better than drinking for me

**Eb**

Is when I'm drinking with you and we're drinking for free.

**B**

**F**

So we drink and we drink and we drink some more

**Gm Eb**

Oh ohé oh

**B**

**F**

The only thing better than drinking for me

**Eb**

Is when I'm drinking with you and we're drinking for free

Just a wee bit tipsy tonight

**Eb**

**Eb/D**

It's the best that I've had

**Cm**

But I've puked on my kilt

**F**

Will you call me a cab

**B - B/A**

**Gm**

Will you call me a cab

**F**

For now I must go

**Eb**

To wake up at dawn

**F**

For a heave and a hoe

**B**

And tonight was good to be bad

[Chorus]

**B**

**F**

So we drink and we drink and we drink some more

**Gm Eb**

Oh ohé oh

**B**

**F**

The only thing better than drinking for me

So we drink and we drink and we drink some more

**Gm Eb**

Oh ohé oh

**B**

**F**

The only thing better than drinking for me

**Eb**

Is when I'm drinking with you and we're drinking for free

**B**

**F**

So we drink and we drink and we drink some more

**Gm Eb**

Oh ohé oh

The only thing better than drinking for me

Is when I'm drinking with you and we're drinking for free
