Float

The Real McKenzies

10, 000 shadows
Steal me from slumber
10, 000 sirens
Are guiding the way

I keep in hiding each day
Avoiding lightning and thunder
Another victim of insanity

Woah oh, I've seen it all before
And I know oh, just what you fear
Go oh, into the depths below
Because you know we all float down here

The devil knows exactly where I'm going
Sweet Jesus told him all that I have done
And now they've got me on the run
Guess whose true colors are showing
Hand me my pistol
I'll take them one by one

Blow the bellows
Raise the gallows
Let me hear your cries

Woah oh, I've seen it all before
And I know oh, just what you fear
Go oh, into the depths below
Because you know we all float down here

10, 000 years ago
I was the only one
The nights that passed were so
Cold and lonely

But chance would have me find
The truth I used to know
This spark of life divine in
Fires unholy

Blow the bellows
Raise the gallows
Let me hear your cries

Woah oh, I've seen it all before
And I know oh, just what you fear
Go oh, into the depths below
Because you know we all float down here
