

A True Reflection

The Real Thing

When I look into your eyes
All I wanna see
Is a true reflection
Of the way you feel for me
And if there has to be tears
Make sure they're for real
Give me a true reflection
Of the way you truly feel

Now I've been here
Many times before
And this old heart of mine
Can't take much more
So tell me now
Before I'm lost in you
Is this love for real
Are your feelings really true, oh baby

Don't make me wait too long
Is it here, your heart belongs
I've been waiting such a long time
To find that woman I can call mine, hey

When I look into your eyes
All I wanna see
Is a true reflection
Of the way you feel for me
And if there has to be tears
Make sure they're for real
Give me a true reflection
Of the way you truly feel

I've loved and I've lost
I can still feel the pain
And this old heart of mine
Ain't going through that again
So I'm telling you, baby

Can't make this same mistake
Because this heart will truly break
And I've been waiting such a long time
To find the one that I can call mine

When I look into your eyes
All I wanna see
Is a true reflection
Of the way you feel for me

I just want to say right now
I'm deep into you
But times made me realise
Love takes two
That's why I'm asking you, baby
Can I safely close my eyes
Knowing in the morning
You'll be there when I rise

Ba du ba ba...

When I look into your eyes
All I wanna see
Is a true reflection
A true reflection

Ba du ba ba...
