

Step Up

The Real Thing

Step up on the floor
Step up on the floor
Step up on the floor
Step up on the floor

I don't care nothing, what people might say
Tonight's the night, we're gonna dance the night away
And when the band hits that beat, we're gonna get up on our feet
We're gonna be high steppin', and no pretension

Step up on the floor (Don't be shy it's so easy)
Step up on the floor (Don't be shy to dance with me)
Step up on the floor (Just get up and be free)
Step up on the floor (Step up on the floor with me)

No time to hide, or feel insecure
Tonight's the night, to open up that door
Let the music take you, where you've never been
Let's go high steppin' with no pretension

Step up on the floor (Don't be shy it's so easy)
Step up on the floor (Don't be shy to dance with me)
Step up on the floor (Just get up and be free)
Step up on the floor (Step up on the floor with me)

All night long
To every song
All night long
All night long
To every song
All night long

Let's go high steppin', high steppin', yeah
Let's go high steppin', high steppin'

Step up on the floor (Don't be shy it's so easy)
Step up on the floor (Don't be shy to dance with me)
Step up on the floor (Just get up and be free)
Step up on the floor (Step up on the floor with me)

Step up on the floor (Let's go high steppin' tonight)
Step up on the floor (Let's go high steppin', high steppin')
Step up on the floor (Let's go high steppin' tonight)
Step up on the floor (Let's go high steppin', high steppin')

(Let's go high steppin' tonight)
(Let's go high steppin', high steppin')
(Let's go high steppin' tonight)
(Let's go high steppin', high steppin')
