Highway Lady
Riding into the sun
Highway Lady
Riding into the sun

Duh duh duh

Highway Lady
Come to rescue me
Highway Lady
Such a cool desert breeze

Time
City time
Taking my money
Taking my mind
Time
Passing by
Gonna leave it all behind

Highway Lady
No turning around no
Highway Lady
Such a beautiful sound, oh

Time
City time
Taking my body
Taking my mind
Time
Passing by
Taking my life away

Time
Precious time
Taking my body
Taking my mind
Highway Lady
Where we gonna go today?
Never turning back
Never turning back
Taking my soul away
Highway Lady, oh
Where we gonna go today?

Time
Precious time
Taking my body
Taking my mind
Highway Lady
Where we gonna go today?
Never turning back
Never turning back
Taking my soul away
Highway Lady, oh
Where we gonna go today?

Time
Precious time
Taking my body
Taking my mind
Highway Lady
Where we gonna go today?
Never turning back
Never turning back
Taking my soul away
Highway Lady, oh
Where we gonna go today?

Where we gonna go today? Highway Lady, oh
Where we gonna go today? Highway Lady, oh
Where we gonna go today? Highway Lady, oh
Where we gonna go today?

Highway Lady, oh
Riding into the sun
Riding into the sun, oh
Riding into the sun
