

I'm Working

The Record Company

Well, I'm working
Working on myself
Yes, I'm working
With nobody else
Well, I've got this feeling
This feeling that I can win
You know I'm working
Working on myself
Go!

Yes, I'm working
I'm coming back
Yes I'm working
Getting back on track
You made a fool out of me
So high that I can't see
You know I'm working
Getting back on track
Go!

And I'm working
On days like these
Yes, I'm working
Dropping to my knees
I gotta let it out
Gotta let it out
I've been drowning, oh
Gotta tell somebody
Come rescue me

Let your heart guide your mind
It'll tell you what it wants
It'll tell you what it wants

And I'm digging
I'm digging deep
This hole I made
Gonna set me free
But I'd be lying
If I said that I could sleep
Yes I'm digging
Setting myself free

Go !

[illegible]

It'll tell you what it wants

Let your heart guide your mind
