

# In the Mood for You

The Record Company

I'm in a mood for ya, baby  
I'm in a mood right now  
Come on, come on, baby  
Come on, right now

It's been awhile since  
I've seen ya around  
Too many nights alone  
Got no reason to be with me now  
I know I did ya wrong  
No, I wasn't such a good man  
Not like the one ya got now  
He treats ya nice  
Does everything right  
Well, can he make ya howl, yeah?

Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah

You in the mood for me, baby?  
You in the mood right now?  
Come on, come on, sugar  
You in the mood right now?

Been awhile since I seen ya around  
Do ya feel alone?  
Think there's a reason to be with me now  
Well, I'm goin' tell you that you're wrong  
Too good for me, baby  
But if ya come back somehow  
I'll treat ya nice  
Make everything right  
I'm gonna make ya howl  
Woo
