

The Movie Song

The Record Company

I've come to the point in my life
Where I've been searching...
Searching for the old days
Where I could be myself
Dreams don't die
They get old...
Riding with my father
Down the country roads
Pretending I was driving
Windows rolled down low
And thinking about my brothers
And the things we used to do

I've come to the point in my life
Where I'm remembering...
Remembering the old days...
When things weren't complicated
Running down trails...
Calling heads and tails
Working after school
Trying to tell the truth...
Ran fast... ran far
Ran free... so free...
Thinking about those summers...
Too young to know they'd end...
Thinking about my mother
So filled with love back then

Everybody wanna make a movie...
Everybody acted like a star
Every time we all get together
Ain't nothing changed at all

Everybody wanna make a movie...
Everybody acted like a star
Every time we all get together
Ain't nothing changed
Oh yeah... yeah
Yeah yeah...

I've come to the point of my life
Where I'm remembering...
Remembering not to be afraid...
Like my younger days

All of this life
I'd do it the same...
Thousands of miles
Smiles and goodbyes...
Crossroads, and straightways
Think about my grandfather...
He taught me what to do...
He taught me to work harder
So folks can depend on you

Everybody wanna make a movie...
Everybody acted like a star

Every time we all get together
Ain't nothing changed at all

Everybody wanna make a movie...
Everybody acted like a star
Every time we all get together
Ain't nothing changed at all

Everybody wanna make a movie...
Everybody acted like a star
Every time we all get together...
Ain't nothing changed...
Yeah... yeah
Yeah yeah...

Nothing changed at all...
Yeah... yeah... yeah
Ain't nothing changed at all...

I wanna tell ya baby nothing changed...
I wanna tell ya baby nothing changed...
I wanna tell ya baby nothing changed...
I wanna tell ya...
Nothing changed at all

Everybody wanna make a movie...
Everybody acted like a star
Every time we all get together...
Ain't nothing changed...
Yeah... yeah
Ain't nothing changed at all...
Yeah... yeah
Ain't nothing changed at all...
