Do Me Wrong

The Red Clay Strays

You say you're in this
All the right reasons
There's been too many times
I've questioned your intentions
Your words mean nothing
If you never back 'em up
I've had all I can take
I've had more than enough

And I'm tired, so tired of these games we play
Sitting around just waiting for something to change

Feel like all you ever do
All you ever do is do me wrong
Feel like all you ever do
All you ever do is do me wrong
Feel like all you ever do
All you ever do is do me wrong
And I can't keep hanging on
I'm good as gone

Of course, there's been good times
But not in a good while
Seem like when I try to reach you
Lord, you never reach back out
We're merely just a shell of what we used to be
I don't see things getting better now, honey
We've come apart at the seam

And I'm tired, so tired of these games we play
Sitting around just waiting for something to change

Feel like all you ever do
All you ever do is do me wrong
Feel like all you ever do
All you ever do is do me wrong
Feel like all you ever do
All you ever do is do me wrong
And I can't keep hanging on
I'm good as gone

Feel like all you ever do
All you ever do is do me wrong
Feel like all you ever do
All you ever do is do me wrong
Feel like all you ever do
All you ever do is do me wrong
And I can't keep hanging on
I'm good as gone
