

Don't Care

The Red Clay Strays

You have gone but your memory always remains
You have gone but your memory always remains
If I could just get out of Georgia
I might find my way home again

Oh-oh-oh-oh
Oh-oh-oh-oh

Well, I've lived my life and I don't care if I die
Cause I've lived my life and I don't care if I die
I'm on a one way road to glory and I'll leave all my troubles behind

Well, I've lived my life and I don't care if I die
Oh if I die
Oh if I die
Oh

Oh if I die
Oh if I die
Oh, dear Lord
If I die
