

On My Knees

The Red Clay Strays

I'm gonna fall down on my knees
And praise The Lord, for bringing me peace
I'll lift my hands, in His company
For you know, I am grateful
For what He has done for me

People always try to tell me, "Just do what you wanna do."
But I try to rely on my mama's advice and that's always got me
through
Well, I've fallen short of glory at least a time or two
Temptation all around me, now I'm reaching out to you

I'm gonna fall down on my knees
And praise The Lord, for bringing me peace
I'll lift my hands, in His company
For you know, I am grateful
For what He has done for me

Been barely makin' ends meet and I'm hardly scrapin' by
Bills stacked on the table, been messin' with my mind
Well, I'm fightin' worldly pressure like I never have before
There's only one thing I can think to do
'Cause I can't take no more

I'm gonna fall down on my knees
And praise The Lord, for bringing me peace
I'll lift my hands, in His company
For you know, I am grateful
For what He has done for me

Well, I praise The Lord
Well, I praise The Lord
Well, I praise The Lord
Yeah, I praise The Lord
Well, I praise The Lord
Oh Lord, I praise The Lord
I praise The Lord
Oh, I praise The Lord
