

Saul To Paul

The Red Jumpsuit Apparatus

For all the times you told me
Not to jump 'cause I might fall
I said "Thank you, thank you"
But I'm the kind of guy that
Has to fall to learn to fly
Still I say "Thank you, thank you"

For all the times I looked into your eyes
And said 'You lie', oh, I'm sorry
For all the times I looked into the sky
And said I'd hated you, I'm sorry
God, forgive me

Lord, please help me change from Saul to Paul
Before it's too late (Before it's too late)
Oh Lord guide me to see that I can still be useful
That I can still serve thee
That I can still serve thee

For all the times you told me
Not to scream 'cause I might bleed
I said "Thank you, thank you"
But I'm the kind of guy that
Has to scream to learn to sing
Still I say "Thank you, thank you"

For all the times I looked into the sky
And said I'd hated you, I'm sorry
For all the times I looked into your eyes
And said "You lie", oh I'm sorry
God, forgive me (God, forgive me)

Lord, please help me change from Saul to Paul
Before it's too late (Before it's too late)
Oh Lord guide me to see that I can still be useful
That I can still serve thee
That I can still serve thee

I built my house on sand
I had to crawl to land to stand
And still you loved me
I blamed it all on you
I was just hiding from the truth
And still you loved me

And still you loved me [x12]
