The Redwalls

Deep in the heart of Texas,
Straight 'cross the border to Mexico -
There be parties there, you'll want to go.
And they be swinging, man, from high to low.

But don't take too much money,
All you got to do is lay it down
You can drink all night, all right.
All right, all right, yeah. Ok.

Well, steep in the stands of Athens,
Straight 'cross the border to Amsterdam, babe -
Well, we're making love the English way (uh oh)
That is, anywhere that she lays.

I said

Well don't take too much money
All you got to do is lay it down.
You can drink all night, all right.
All right, all right.

Whoo, ooo, ooo.
Whoo, ooo, ooo.

Yeah,
Deep in the heart of Texas, yeah,
Straight 'cross the border to Mexico -
Oh, there be parties there, you'll want to go.
And they be swinging, man, from high to low.

But don't take too much money,
All you got to do is lay it down
You can drink all night, all right.
All right, all right, yeah.

Whoo, oo, ooo.
Whoo, oo, ooo, oo, oo, oo, oooh.
Whoo, oo, ooo.

Whoo, oo, ooo
