The Regrettes

You think you're such hot shit, that everybody wants some of it
For some reason you still don't know, you're going to have to l
et this one go

et this one go

They say you're oh so fine, like I'm the only one that doesn't
wanna make you mine
You must be oh so shocked 'cause you'll never be the key to my
lock
They say you're oh so fine, like I'm the only one that doesn't
wanna make you mine
You must be oh so shocked, never be the key to my lock

To those girls you're hot like a fire
You are their only desire
But to me you're nothin' much
Because I know you're just a liar
To those girls you're hot like a fire
You are their only desire
But to me you're nothin' much
Because I know you're just a liar
To those girls you're hot like a fire
You are their only desire
But to me you're nothin' much
Because I know you're just a liar

You think you've got a chance, but you'll never have this dance
You better watch yourself, go ahead and find someone else
You think you've got a chance, but you'll never have this dance
