

## Step 9

The Regrettes

I heard your mother stayed, I heard your mother stayed out  
And did it get to your head?  
I heard your father stayed, I heard your father stayed home  
To pick up what's still left  
I heard you didn't know why she would ever go  
Who's gonna braid your hair, now?  
I heard you didn't know how he could love you so  
Always puttin' yourself down

I don't wanna hear all about how you're doin' just fine  
Ah, ah-ah, ah, ah, ah-ah  
And you don't get to say it's alright 'cause you're on step nine  
Ah, ah-ah, ah, ah, ah-ah  
And I still hear your voice, it's in my ears  
Gotta remind myself, it's not sincere  
I wanna trust it, but it just won't work  
'Cause now I really know just what I'm worth

I heard your mother lied, I heard your mother still lies  
But you can't find out later  
I heard your father cried, I heard your father still cries  
But then would stand up straighter  
You can't remember when, you can't remember when you  
Went for forgiveness  
You can't remember when, you can't remember when you  
Gave into the stress

I don't wanna hear all about how you're doin' just fine  
Ah, ah-ah, ah, ah, ah-ah  
And you don't get to say it's alright 'cause you're on step nine  
Ah, ah-ah, ah, ah, ah-ah  
And I still hear your voice, it's in my ears  
Gotta remind myself, it's not sincere  
I wanna trust it, but it just won't work  
'Cause now I really know just what I'm worth

I don't wanna hear all about how you're doin' just fine  
And you don't get to say it's alright 'cause you're on step nine  
And I still hear your voice, it's in my ears  
Gotta remind myself, it's not sincere
