Not Gonna Not

The Reklaws

If you said hey there's a new spot
With a good band, and a line around the block
All bets are off, yea
Your place would be my next stop

If it's a week night and you just got off
You need a pick me up, something on the rocks
Baby, I'm in
Yeah I'm already drivin'

And if your friends don't wanna go out
And you wanna go out
And you're already ready at the house
Just say it
I won't keep you waiting

I'm not gonna not
Knock knock knock on your door
Kiss ya on the porch
Get ya up in this 4 by 4
Girl, before you're putting down the phone
Ready or not, I'm not gonna say no
Not gonna not
Take you everywhere in that dress
And when you wanna dance
I'm gonna say yes
Slide my silver Amex cross every bar top
Anything you want, you know, you got
I'm not gonna not
Not, not, I'm not gonna not
Not, not, I'm not gonna not
I'm not gonna not

There ain't no way, ain't no chance
Don't gotta twist my arm to hold your hand, and wreck my plans
Too good to turn down
Tell me one time, I'll tell ya right now

I'm not gonna not
Knock knock knock on your door
Kiss ya on the porch
Get ya up in this 4 by 4
Girl, before you're putting down the phone
Ready or not, I'm not gonna say no
Not gonna not
Take you everywhere in that dress
And when you wanna dance
I'm gonna say yes
Slide my silver Amex cross every bar top
Anything you want, you know, you got
I'm not gonna not
Not, not, I'm not gonna not
Not, not, I'm not gonna not
I'm not gonna not

And if your friends don't wanna go out
And you wanna go out

And you're already ready at the house
Just say it
I won't keep you waiting

I'm not gonna not
Knock knock knock on your door
Kiss ya on the porch
Get ya up in this 4 by 4
Girl, before you're putting down the phone
Ready or not, I'm not gonna say no
Not gonna not
Take you everywhere in that dress
And when you wanna dance
I'm gonna say yes
Slide my silver Amex cross every bar top
Anything you want, you know, you got
I'm not gonna not
Not, not, I'm not gonna not
Not, not, I'm not gonna not
I'm not gonna not
I'm not gonna not
Not, not, I'm not gonna not
Not, not, I'm not gonna not
I'm not gonna not
I'm not gonna not
