

# People Don't Talk About

The Reklaws

I grew up playing cowboys  
I like to play pretend  
Bunch of kids in a backyard  
Back when it made sense

We would speak our minds  
And say just what we meant  
That was the old me, nobody told me  
That everything changes  
Reality sets in  
You better keep quiet  
If you wanna fit in

People don't talk about  
When it's 2am you're talking to yourself again  
You're digging a hole  
You're digging a hole  
People don't talk about  
Trying to be yourself  
But feeling like you're someone else  
You're not alone  
You're not alone  
I wanna know everything that you don't say out loud  
Yea all the things  
That people don't talk about

She was Wonder Woman  
Dad was Superman  
Picture perfect family  
Outside looking in

I grew up playin' house  
In a house that was broke  
I wish we talked it out  
Now I don't know why

People don't talk about  
When it's 2am you're talking to yourself again  
You're digging a hole  
You're digging a hole  
People don't talk about  
Trying to be yourself  
But feeling like you're someone else  
You're not alone  
You're not alone  
I wanna know everything that you don't say out loud  
Yea all the things  
That people don't talk about

Take a load off take a breath  
Say it all then say the rest  
If you let it out  
You can let 'em in

Take a load off take a breath  
Say it all then say the rest  
If you let it out

You can let 'em in

People don't talk about  
When it's 2am you're talking to yourself again  
You're digging a hole  
You're digging a hole  
People don't talk about  
Trying to be yourself  
But feeling like you're someone else  
You're not alone  
You're not alone  
I wanna know everything that you don't say out loud  
Yea all the things  
That people don't talk about  
Yeah, people don't talk about  
'Cause people don't talk about

Take a load off take a breath  
Say it all then say the rest  
If you let it out  
You can let 'em in
