

Wake Up

The Replacements

(ok)

Top of the mornin'
I go, anywhere you want to be?
I don't give it but I can feel better
Top of the mornin'
one more
anyone want to be here?
Little windows, where'd that pin go?

Wake up
Wake up
Wake up
Wake up and wonder where you are

Top of the mornin'
Tell me, anywhere you wanna be?
Ooh a big deal
on a cigarette
Top of the mornin'
I go, anywhere I wanna be
You were callin'
turtledovin'

Wake up
Wake up
Wake up
Wake up and wonder where you are
Wake up and wonder where you are
Wake up and wonder where you
Wake up
