

Time To Kill

The Rescues

If it takes all night
If I have to fight
If I lose the light, it's alright
I've got time to kill

If you were never mine
If it was in my mind
If you're the running kind, it's alright
I've got time to kill

As long as you live, I can't live without you
But I've got all the time in the world

If I have to wait
If that's what it takes
If that's my fate, it's ok
I've got time to kill

Ohh

As long as you live, I can't live without you
But I've got all the time in the world

If I have to wait
If that's what it takes
If that's my fate, it's ok
I've got time to kill

Ohh

If it takes all night
If I have to fight
If I lose the light, it's alright
I've got time to kill
I've got time to kill
